

Stephen's Backpacks began 14 years ago when five year old Stephen asked his mom if there were kids on the street. The family packed 15 backpacks that Christmas that year and now it has grown into a non-profit that helps thousands of disadvantaged children.

We are collecting items to go in these backpacks for children in Saskatchewan. Backpacks are given to children from infant to 18 years old and are filled to overflowing with **brand new items**.

Items needed:

- Backpacks – size appropriate for age
- 2" binders
- Looseleaf
- Pencils
- Pencil Crayons
- Pens (blue or black)
- Erasers
- Rulers
- Pencil Cases
- Duo-Tangs
- Glue sticks
- Small stuffed animals
- Socks
- Candy canes

Items may be placed in the collection box in the lobby. If you wish, you may donate a fully packed backpack or even partner with someone else to put one together.
